IN MEMORY

We are sad to announce the passing of two memorable individuals who greatly influenced the Jazz Society.

GENE FOSTER

Longtime CIJS supporter and former Board member/Treasurer Gene Foster passed away on July 13. Gene and his late wife, Lori, were regular concert attendees for many years.

Gene played drums throughout his life and was

a member of the local Musician's Union. He could be heard often playing at the weekly Union jazz sessions before he relocated to Florida. We have many fond memories of Gene, and will miss him very much. You can view Gene's obituary [here](#).

Gene's daughter, Kim, wishes to thank everyone who made memorial contributions in her father's name to CIJS. The amount totaled \$760. The CIJS would also like to express our appreciation for these donations.

DAVE KEYES

Peoria native Dave Keyes, who played a major role in the formation of CIJS in 1978, passed away on July 9. He was an inaugural member of the original house band and worked regularly with many local musicians before moving to New Jersey (and later Florida).

Dave toured internationally and left his mark in many places playing a variety of types of music. He is survived by his wife, Marilyn, and a large, loving family. You can view his obituary [here](#).
